## Company Overview:

AEI believes in providing world class quality service with in-depth knowledge of the Hospitality Industry and innovative, stylish designs that meet and often exceed the high expectations of hoteliers worldwide. The global coverage begins with a network of strategic partners, distributors and dealers that understand how to service local customers in their local language, within the local culture. The right attitude, adopted at headquarters, permeates the worldwide communication organization.

**CAUTION:** This validation provides customers with confidence that a partner's integration with an Alcatel-Lucent Enterprise on-premises platform is functionally sound and performs as designed. This can help customers reduce deployment risk, lower total cost of ownership, and improve the user experience related to the partner's integrated offering.

However, be aware, this document is associated with an InterWorking Report (IWR) available on the ALE Business Portal which give all possible restrictions and limits.
