**CROSSCALL**, creator of the outdoor mobile technology market, offers waterproof, durable and highly autonomous mobiles and smartphones. The brand designs models perfectly adapted to the hostile and unpredictable environments encountered by athletes and professionals in the field (water, rain, humidity, dust, shocks...); as well as a range of high-performance accessories.

**DISCLAIMER:** This certification provides customers with confidence that a partner's integration with an Alcatel-Lucent Enterprise platform is functionally sound and performs as designed. This can help customers reduce deployment risk, lower total cost of ownership, and improve the user experience related to the partner's integrated offering.

However, be aware, this document is associated with an InterWorking Report (IWR) available on [MyPortal - Alcatel-Lucent Enterprise](#) which provides possible restrictions and limits.
