- Edition: January 2023 -

This document lists the members of Alcatel-Lucent Enterprise Developer and Solution Program who are at Registered membership level.

*Alcatel-Lucent Enterprise*

# **Developer and Solution Partner Program**

**Note:** some companies joined the ALE Developer and Solution Partner Program during one or several years and even certified their solution/application through this program but they did not maintain the validity of the interoperability. The possible related InterWorking Report (IWR) is available on demand but with no agreement from Alcatel-Lucent Enterprise to provide any assistance since the versions mentioned are no longer supported.
