OPEN SIP DESKPHONE are industry-leading products from Alcatel-Lucent Enterprise. Originated in France, the company prides itself in a history of over a century of dedication and expertise in communication technologies.

CAUTION: This validation provides customers with confidence that a partner's integration with an Alcatel-Lucent Enterprise on-premises platform is functionally sound and performs as designed. This can help customers reduce deployment risk, lower total cost of ownership, and improve the user experience related to the partner's integrated offering.

However, be aware, this document is associated with an InterWorking Report (IWR) available on the ALE Business Portal which give all possible restrictions and limits.
