

# ALE Developer and Solution Partner Program

This document lists the third-party solutions related to Amplifiers and Headsets certified by the Alcatel-Lucent Enterprise Developer and Solution Partner Program

For detailed technical information about the DSPP certified solutions, please refer to the related InterWorking Reports (IWR) published on the portals  
<https://www.al-enterprise.com/en/partners/dspp>

## List of certified 3rd parties Headsets for Hard phones and Soft phones

*Edition: April 2023*

new in this edition

For further details of actual tests performed, make reference to “The Inter-working Report”. The certificate is valid for a term of two (2) years from the date of compatibility, or until the Application Partner issues a new version of such product (incorporating new features or functionality), or until ALE International issues a new version of such ALE International product (incorporating new features or functionality), whichever first occurs. For further generic question about the DSPP and its partnerships, please email us to [dspp@al-enterprise.com](mailto:dspp@al-enterprise.com)

Details are available in the InterWorking Report documents
