List of certified 3rd parties Headsets for Hard phones and Soft phones

Edition: November 2025

For further details of actual tests performed, make reference to “The Inter-working Report”. The certificate is valid for a term of two (2) years from the date of compatibility, or until the Application Partner issues a new version of such product (incorporating new features or functionality), or until ALE International issues a new version of such ALE International product (incorporating new features or functionality), whichever first occurs. For further generic question about the DSPP and its partnerships, please email us to dspp@al-enterprise.com
