

SPECTRALINK

Versity & 8440 certified with OmniPCX Enterprise™

Versity offers best-in-class Wi-Fi and LTE coverage to keep employees connected

The **84-Series** delivers high-quality, secure communications to meet the needs of mobile workers in industries such as Healthcare, Retail, Manufacturing and Hospitality - empowering them to stay connected and work more efficiently throughout their workplaces

Integration Overview:

Versity Smartphone Series

The Versity (95 and 96-Series) enterprise smartphones are redefining enterprise mobility. With the look and feel of your favorite personal phone and all the functionality of an enterprise-grade device, these next-generation solutions offer unmatched durability, streamlined workflows and 24x7 communications for your mobile workforce.

WiFi 84-Series

With market-leading HD voice quality, durability, broad telephony and WLAN interoperability, the Spectralink 84-Series Wi-Fi enterprise solution delivers a superior user experience with Spectralink VQO (Voice Quality Optimization). Our 84-Series is powered by UC software that provides full integration with all major SIP call platforms
