## STATE SCHOOL OF HIGHER PROFESSIONAL EDUCATION IN ELBLĄG (PWSZ)

### CUSTOMER INFORMATION

- The State School of Higher Professional Education in Elbląg is an institution of higher education that offers vocational undergraduate courses lasting from 6 to 7 semesters for a B.A. or B.Sc. Eng. degree.
- The School is a part of the state education system and its intramural studies are free of charge, with scholarships available for students in need of financial support as well as for those with outstanding academic success.
- At present there are 18 Professors, 29 Assistant Professors, 70 lecturers with a Ph.D. degree and 89 with an M.A. or M.Sc. degree.

### CHALLENGES

- Outdated base was incapable of handling multimedia services
- Local research work was inefficient as researchers lacked high performance connectivity with other universities - which prevented the exchange of resources
- Lack of support from incumbent vendor
