CAPTION

Training material is provided in English, other languages are optional.

The available languages for training materials are mentioned in the training tracks with corresponding flags:

- Available in English: 
- Available in French: 
- Available in Spanish: 
- Available in German: 
- Available in Chinese: 
- Available in Brazilian/Portuguese: 

REMOTE LABS RENTAL SERVICE

REMOTE LABS RENTAL SERVICE

PODS RENTAL FOR OMNISWITCH LAN & OMNIACCESS STELLAR WLAN

Benefit from this new service to ease knowledge acquisition!

OmniSwitch LAN -
Remote LAB Rental
DT00RPR200

V= 1 d

OmniAccess WLAN
Stellar - Remote LAB
Rental
DT00RPR201

V= 1 d

FLEXIBILITY

- One-day open remote access to 1 pod (2 participants max)
- Train yourself WHEN and WHERE you need

EFFICIENCY

- Acquire the practical skills required for business success
- Prepare for certification exams

COST SAVING

- No travel or accommodation costs
- Save money and reduce your investments

REMOTE LABS RENTAL SERVICE

PODS RENTAL FOR OMNISWITCH LAN

OmniSwitch LAN -
Remote LAB Rental
DT00RPR200

V= 1 d

Fixed Price
100€/115\$

Profile #1:

The participant is trained, certified, and experienced on the OmniSwitch LAN. Before deploying a certain project for a customer, he wants to rework and practice on certain topics and features.

Profile #2:

The participant has followed an OmniSwitch basic course (120,115,116 or 125) and wants additional time to practice on certain features after the session is terminated.

Profile #3:

- The participant has been trained and has failed to his ACSE (or even ACFE) exam and wants to make additional practice before taking it again.
- The participant has followed the full track including Tap-lab but wants more practice before taking the ACSE the first time.

REMOTE LABS RENTAL SERVICE

PODS RENTAL FOR OMNIACCESS STELLAR WLAN

OmniAccess WLAN
Stellar - Remote LAB
Rental
DT00RPR201

V= 1 d

Fixed Price
100€/115\$

Profile #1:

The participant is trained, certified, and experienced on the OmniAccess Stellar WLAN. Before deploying a certain project for a customer, he wants to rework and practice on certain topics and features.

Profile #2:

The participant has attended an OmniAccess Stellar WLAN basic course (DT00WTE267/268) and wants additional time to practice on certain features after the session is terminated.

Profile #3:

- The participant has followed the full track but wants more practice before taking the ACSE the first time.
- The participant has been trained and has failed to his ACSE (or even ACFE) exam and wants to make additional practice before taking it again.

ANNUAL LEARNING SUBSCRIPTION

OUR SOLUTION

ANNUAL LEARNING SUBSCRIPTION (ALS)

Training Services innovates to help you maintain your **Postsales** staff **competencies up-to-date** and **broaden technical skills** via an annuity subscription for individuals at an attractive price.

The **Annual Learning Subscription (ALS)** service provides **open access** to the technical training content of both ACFE and ACSE levels available on the [Knowledge Hub](#) learning platform.

2 certification tokens are now included per product line when applicable
