RINGCENTRAL MVP

SALES TRAINING

Training, and certification exams on RingCentral solutions, including certification renewal, are directly managed, and provided by RingCentral. Please consult the RingCentral Partners portal for more details: <https://rc.my.site.com/RCPartnerProgram> once you have your access granted by RingCentral.

For ALE Partners

- ALE Partners with valid Rainbow Office certifications are automatically granted with the corresponding RingCentral MVP certifications within the ALE system:
 - The ACSR RingCentral MVP is awarded to ACSR Rainbow Office certified partners.

For RingCentral MVP Partners

- RingCentral RCSP (Sales Specialist) certification is recognized as ACSR RingCentral MVP by ALE
- To get their RingCentral certification recognized, Business Partners must contact ALE at training-services@al-enterprise.com with a proof of RingCentral certification achievement (diploma) to be granted with the corresponding RingCentral MVP certifications within the ALE system.

POSTSALES TRAINING

Training, and certification exams on RingCentral solutions, including certification renewal, are directly managed, and provided by RingCentral. Please consult the RingCentral Partners portal for more details: <https://rc.my.site.com/RCPartnerProgram> once you have your access granted by RingCentral.

ACFE CERTIFICATIONS

For ALE Partners

- ALE Partners with valid Rainbow Office certifications are automatically granted with the corresponding RingCentral MVP certifications within the ALE system:
 - The ACFE RingCentral MVP is awarded to ACFE Rainbow Office certified partners. This certification is needed for Business Partner willing to deliver Professional Service offers.

For RingCentral MVP Partners

- RingCentral CDP (Certified Delivery Partner) is recognized as ACFE RingCentral MVP by ALE
- To get their RingCentral certification recognized, Business Partners must contact ALE at training-services@al-enterprise.com with a proof of RingCentral certification achievement (diploma) to be granted with the corresponding RingCentral MVP certifications within the ALE system.
