Company Overview:

Founded in 1976, VTech is the world’s leading manufacturer of cordless telephones, with global sales, marketing and R&D teams. Our line of hotel phones leverages this expertise and resources—catering specifically to the hospitality market while providing clear cost and feature benefits, enhance their guest experiences. We’ve gone to great lengths to design a range of phones that services the unique needs of the hospitality industry. These include an ‘Antibacterial plastic’ coating to safeguard guests, rubber inlays to protect against high humidity and USB ports so users can charge their electronic devices.
